Member Choice Tiers

Member Choice Status is based on a member's Average Daily Balance (ADB). The combination of average daily balance in deposits and month-end balances in loans determines ADB. Student loans are not included. Month-end balances are used for assets under management by a financial advisor.

Young Adult	Members qualify for Young Adult status until they reach the age of 24, regardless of their other relationships.
Associate	ADB of less than \$300.
Partner	ADB of \$300 to \$9,999.99, or a Direct Deposit or recurring ACH deposit that posts at least monthly. Member must be a member in good standing. ⁷ New members whose balances qualify them for Associate status will enjoy the benefits of Partner status for the first 62 days of membership, and then will be placed in the appropriate relationship determined by their ADB.
Advantage	ADB between \$10,000 & \$49,999.99.
Premier	ADB of \$50,000+. All members with a first mortgage are automatically placed in the Premier group for 5 years. After 5 years, members with a first mortgage are placed in the appropriate relationship determined by their ADB.

Posting Order	Posting Order
	Transactions can post to your account in two different ways. "Real time" transactions are posted chronologically as they occur throughout the day. Other transactions are posted to your account in a "batch" process. Please see the Important Account Information for additional detail related to your checking account balance, including posting order and the calculation and payment of overdrafts.

OVERDRAFT COVERAGE	YOUR SAVE TO WIN ACCOUNT: OVERDRAFT COVERAGE PLANS AND FEES	
	The following overdraft protection plans are available on your Savings account.	
	Overdraft Coverage	Fees (per item)
No Overdraft Coverage	\$9.00 NSF Fee	Our standard overdraft practice is that we do not authorize and pay overdrafts for any transactions when you do not have sufficient funds in your account to cover the transaction. If we do not authorize and pay an overdraft, your transaction will be declined and your account assessed an NSF fee. The only exception is everyday debit card and ATM transactions, for which we do not charge an NSF fee when declined. You may also be subject to returned item fees from a merchant.

⁵ Teller assisted transactions include cash withdrawals, check cashing, and balance transfers conducted at WPCU member centers, PTMs, and the Member Help Center.
⁶ Shared Branching transactions include cash withdrawals, check cashing, and balance transfers conducted at Co-op Shared Branch CO-OP branch locations.
⁷ "Member in good standing" is any member that has at least \$5.00 on deposit in the TrueSaver; is not delinquent on any loan obligation to the Credit Union; does not have a negative balance in any share account with the Credit Union; and has not previously caused the Credit Union a financial loss.
